## FREESIA (ARM00537)

Freesia (ARM00537): This fragrance embodies the essence of spring with notes of lemon, apple, pear, melon, freesia, iris, lily of the valley, jasmine, musk, and patchouli. It's a celebration of nature's beauty, captured in a bottle.

Introducing "Freesia" (ARM00537)—a fragrance that embodies the essence of spring in every drop.

With notes of lemon, apple, and pear, "Freesia" opens with a burst of fruity freshness, invigorating the senses and uplifting the mood. The succulent melon adds a touch of sweetness, while the delicate florals of freesia, iris, lily of the valley, and jasmine create a bouquet of blossoms in full bloom.

As the scent lingers, a warm and earthy base of musk and patchouli emerges, grounding the fragrance and leaving a lasting impression. "Freesia" is more than just a scent—it's a celebration of nature's beauty, captured in a bottle, ready to infuse any space with joy and vitality.
